*Light begins at the end of the road.*

A charmingly authentic Eastern Shore waterman's village, Tilghman Island is nestled between the Chesapeake Bay, Harris Creek, and the Choptank River in Talbot County, Maryland.

The island is separated from the mainland by Knapps Narrows, and it measures 3 miles long and 1 mile across at its widest point. A short drive from major metro centers, Tilghman Island is accessible by both car and boat, with marinas available for boat docking.

**Distances:**

Baltimore	91.3 miles
Philadelphia	135 miles
New York City	221 miles
Washington DC	92.5 miles
